GENERAL SALES TERMS & CONDITIONS

ORDERS

There is no minimum order quantity. You can order just what you need anytime you need it.

You can place your order at any time by sending us an email at walkingsticks@garcia1880.com or via your client account on our website www.garcia1880.com

PAYMENTS

García 1880 will issue the payment of your orders based on the agreed conditions.

The first order from new customers will be confirmed after receiving payment.

WARRANTY

García 1880 products are guaranteed against any manufacturing defects for a period of two years (six months if batteries) from the date of the purchase invoice. The warranty includes repair, replacement and / or product exchange, depending on the assessment of the problem.

Please note that damages caused by its use, lack of maintenance, natural wear or improper use are not covered under warranty.

Repairs or manipulations not carried out by García 1880 invalidate the warranty.

RETURNS POLICY

All our clients have a 6-month period from the date of the invoice to return the item at their own expense. Please note that the item must be in its original packaging and that a processing and/or demerit cost may be applicable.

Note that to validate the return it is necessary to meet the following requirements:

- The product must not have been tampered with and must maintain its original appearance.
- It must be returned packed in its original packaging and in such a way that it does not deteriorate during transport.
- It should contain all accessories, user manual and any other original documentation.
- The return will not be possible if the item has been discontinued.

In order to proceed with a return, please contact our Customer Service department. García 1880 will review the received information and will contact you with instructions on how to proceed.

INCIDENT IN THE RECEPTION, FAULTS OR BREAKS

An incident is considered to be any error made in the shipment of the product, due to causes beyond customer's control.

You must check the status of the merchandise upon receipt. In the event of an incident (lack of an item, breakage or damage), it must be stated on the delivery note of the transport agency and communicated in writing to García 1880 within the next 48 hours.

To report an incident, you must contact our customer service department and send the following information:

- Customer's name and full address
- Photos of the label of the product
- Photos of the product
(and, if applicable, of the damaged part)
- Explanation of the problem

Please note that no incident will be processed without all the previously mentioned information.

Once the information has been received and reviewed by our team, García 1880 will assess the solution and will contact you. If it is necessary to evaluate the product in our warehouse, our transport agency will pick up the product at the place of delivery.

Only if the product sent is the wrong one, has a manufacturing defect or was damaged due to transport, the costs associated with transport will be assumed by García 1880.
